

Developing an Entrepreneurial Mindset

A motivational talk was organized by the IIC Ambassador and the local entrepreneurs for the 2nd semester students of School of Management Studies and Research. The talk was attended by the faculty members and students of the department. The talk intended to promote entrepreneurial mindset among the students. The activity was supported by the local industrialist Mr. Vijesh Saigal who is the Managing Director of AVN Saigal group of Companies. The talk was attended by 45 students. The program was scheduled on 5th August, 2022 in the KLE Technological University. The session started with the overview of the concept of entrepreneurship and the competencies required to be an entrepreneur. The crux of the session covered the skills and the attitudinal framework that is required to be an entrepreneur. The final part of the session addressed the students queries regarding the challenges of an entrepreneurial journey.
